

Hotel & Restaurant Equipment.

Decarbonisers

RDI MC500

■ Consumption	700 w
■ Capacity	110 L
■ Working temperature	75°C
■ Voltage	230 -110v/ 50-60 Hz.Single phase
■ Net weight	60 Kg
■ Dimensions	75 L x 48 D x 81 H cm
■ Internal dimensions	56,5 L x 34 D x 58 H cm

■ Consumption	1400 w
■ Capacity	280 L
■ Working temperature	75°C
■ Voltage	230 -110v/ 50-60 Hz.Single phase
■ Net weight	108 Kg
■ Dimensions	97 L x 70,5 D x 101 H cm
■ Internal dimensions	82 L x 51 D x 68 H cm

■ Consumption	1400 w
■ Capacity	420 L
■ Working temperature	75°C
■ Voltage	230 -110v/ 50-60 Hz.Single phase
■ Net weight	131 Kg
■ Dimensions	103,5 L x 70,5 D x 106 H cm
■ Internal dimensions	115 L x 51 D x 72,5 H cm

. The kitchen tools, filters and trays won't have grease anymore, and its **LIFE WILL BE LONGER** thanks to the elimination of chemical products from the cleaning tasks.

. You will **FINISH WITH THE RISK OF FIRES**, and the environment will be healthier and cleaner.

. **HYGIENE AND DISINFECTION** thanks to the continuous washing process with temperatures of 75°C, according to the hygiene rules.

. Technology that guarantees a **LOW CONSUMPTION OF WATER, ENERGY AND DETERGENT**, helping in this way to take care of environment.

. Recommended for: **HOSPITALS, BUSINESS' KITCHEN, BAKERIES, COLLEGES, PETROL STATIONS, HOSTELS, HOTELS...ETC.**
