ACERO  
INOX.

ACERO  
INOX.

Made in stainless steel

Natural and flexible fibers  
brush

Cooling system with  
temperatura

Suitable for any type of cups  
and glasses

**To dry and polish your champagne,  
wine, brandy, sherry.... glasses  
won't be a problem anymore with  
our glasses dryer and polisher  
machine.**

**Its small dimensions make it  
suitable to be placed in any  
business and working area.**

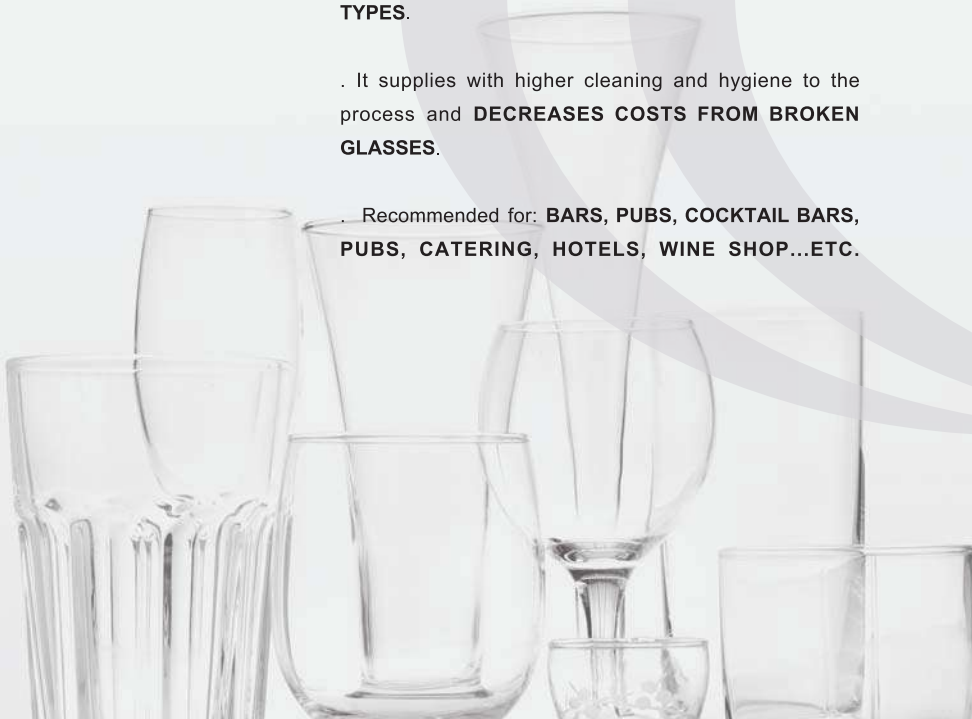

. **CONTINUOUS AND PROFESSIONAL PRESENTATION** quality, as it will finish with the hard job of drying and polishing by hand.

. **IT IMPROVES THE IMAGE YOUR CUSTOMERS WILL HAVE FROM YOU** and it decreases the time used in the drying process.

. It can be adapted to **SEVERAL GLASSES AND CUPS TYPES.**

. It supplies with higher cleaning and hygiene to the process and **DECREASES COSTS FROM BROKEN GLASSES.**

. Recommended for: **BARS, PUBS, COCKTAIL BARS, PUBS, CATERING, HOTELS, WINE SHOP...ETC.**
